QUALITY CERTIFICATE & HANDLING GUIDE

RGBG PAINT PROTECTION FILMS PROVIDE ROBUST PROTECTION AGAINST COUNTLESS TYPES OF ROAD DAMAGES.

IT IS IMPORTANT TO KEEP IN MIND, THAT EVEN PREMIUM QUALITY PRODUCTS ARE ONLY ABLE TO PROTECT YOUR CAR IF THEY RECEIVE APPROPRIATE CARE. PLEASE PAY ATTENTION TO THE HANDLING INSTRUCTIONS BELOW.

Do not scrub the surface!

Remove the contamination as soon as possible (bugs, bird droppings, etc.) to avoid discoloration

Do not wash directly under the film and keep the temperature of the water below 80°C

Keep the washing pressure under 14MPa and keep distance of min. 40 cm from the surface when washing

Do not use strong detergents or harsh sponges; preferably microfibre cloth

Always test in advance if wax or other surface coatings are present, they might be incompatible with the hydrophobic paint protection film

At RGBG, we're committed to providing products that meet the highest standards of durability and performance. Our 7-year product warranty is a testament to that commitment, offering you peace of mind as you enjoy the benefits of our premium car protection films.

With adequate maintenance, they will give you years of reliable use. But as with most products, they are subject to wear and tear. If you eventually need replacement, technical assistance, or product information, please contact your RGBG Installer.

The warranty applies to the film getting detached from the surface, to adhesive failure, cracking, bubbling. The warranty period begins on the date of the invoice issued for the installation. The warranty applies only if installation is carried out on the original factory paintwork. The warranty is non-transferable and applies only to the original customer. This warranty does not cover damage caused by misuse, accidents, misapplication, normal wear and tear, dents from road.
